Animals that are approved must be on a leash, within a pen or under similar control at all times. No animal exhibits are permitted on the carpeted areas of the PCC. The Customer, exhibitor or owner is responsible for obtaining all relevant permits and for attending to the sanitary needs of the animal(s). All other audio-visual services are provided by the Authority's Audio Visual Services Department on a non-exclusive basis. Please contact the Authority's Audio Visual Services Department for system access and for A/V equipment rental, such as

microphones. If you choose to rent microphones from another source or if you need to arrange recording patches, there is a per diem access fee per room section.

All common areas of the PCC (including but not limited to the exterior, the entrances, public concourses, the Bridge, loading docks, marshaling facilities, etc.) that the Authority makes available to the Customer may also be made available to others for concurrent access and use as required by the event activity. The Authority will coordinate and schedule the use of the common areas in order to best accommodate all parties involved.

10. DAMAGES

All damages, except normal wear and tear, are ultimately the responsibility of the Customer. Please contact your Event Coordinator to schedule a "walk-through" on the first day of move-in to verify the condition of the facilities. The Customer will be informed of any damages that occur during the event via written reports and photographs (if possible) as soon as discovered. A final "walk-through" with your Event Coordinator is also advised at the completion of move-out.

11. DECORATIONS

Decorations may not be taped, nailed, tacked, stapled, or otherwise fastened to ceilings, painted surfaces, columns, fabrics, doors, windows or walls. Glitter is not permitted in the PCC. Adhesive backed decals/stickers (except for name tags) may not be used or distributed on the premises. The Authority strongly recommends that the Customer provide, at the Customer's expense, certified first aid personnel during an event. Further, the Authority reserves the right to require the Customer to provide first aid, at the Customer's expense, based on the type of event.

The Customer must select an EMS provider from the PCC's approved list. All emergency medical service providers must be licensed by the Commonwealth of Pennsylvania and comply with all applicable City of Philadelphia ordinances, rules and regulations pertaining to special event emergency medical services. All personnel and equipment of said EMS providers must meet all state and local requirements and standards.

15. EQUIPMENT INVENTORY

The PCC equipment inventory (e.g., chairs, tables, etc.) is usually adequate to accommodate several simultaneous events. However, when PCC inventory is exhausted, the Customer is responsible for making arrangements for additional equipment at the Customer's expense. Special equipment such as staging and dance floors can be made available for an additional fee. There is also a charge for equipment used in exhibit areas. Elevated seats may be used in Exhibit Halls A, B, and C only. Please contact your Event Coordinator for details.

Your Event Coordinator will provide you with a Plan of Operations Packet with guidelines for developing the Plan of Operation for your event.
